eShopping made easy | New products  
Local Spotlight | Upcoming Events

## Website & Mobile App refreshed alert!

With high demands on online shopping, Al Manar stationery re-launched its e-commerce website and mobile app, with enhanced new features and user friendly interface.

Customers can now easily browse through their favorite products, add to cart items they need and checkout hassle free. With thousands of products & categories frequently uploaded, a much more organized and clutter free shopping experience is now on the go including its newly enhanced security features for that safe and secure purchase.
